

Workkeys Testing Update

Work Keys Testing Update All testing dates in September are full. Due to a system upgrade, no Work Keys testing will be performed in October. Next Work Keys test date is tentatively scheduled for November 6th. Effective November 2017, the cost for Work Keys will be \$45 due to a price increase from the vendor. The cost will be \$15 each for any section(s) repeated following remediation. Remediation will continue to be provided at no cost to the student.
